

How do I request a free license on the student portal?

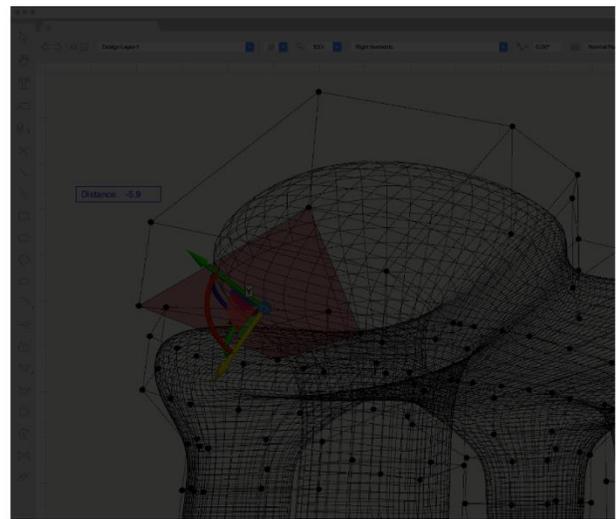

A Vectorworks license is free for students and teachers who are involved in design-oriented study programs. First create an account on the Vectorworks student portal. Then you can request your free license and download your software.

1. Go to this [Link](#) and press get started.

FREE LICENSES FOR STUDENTS & EDUCATORS

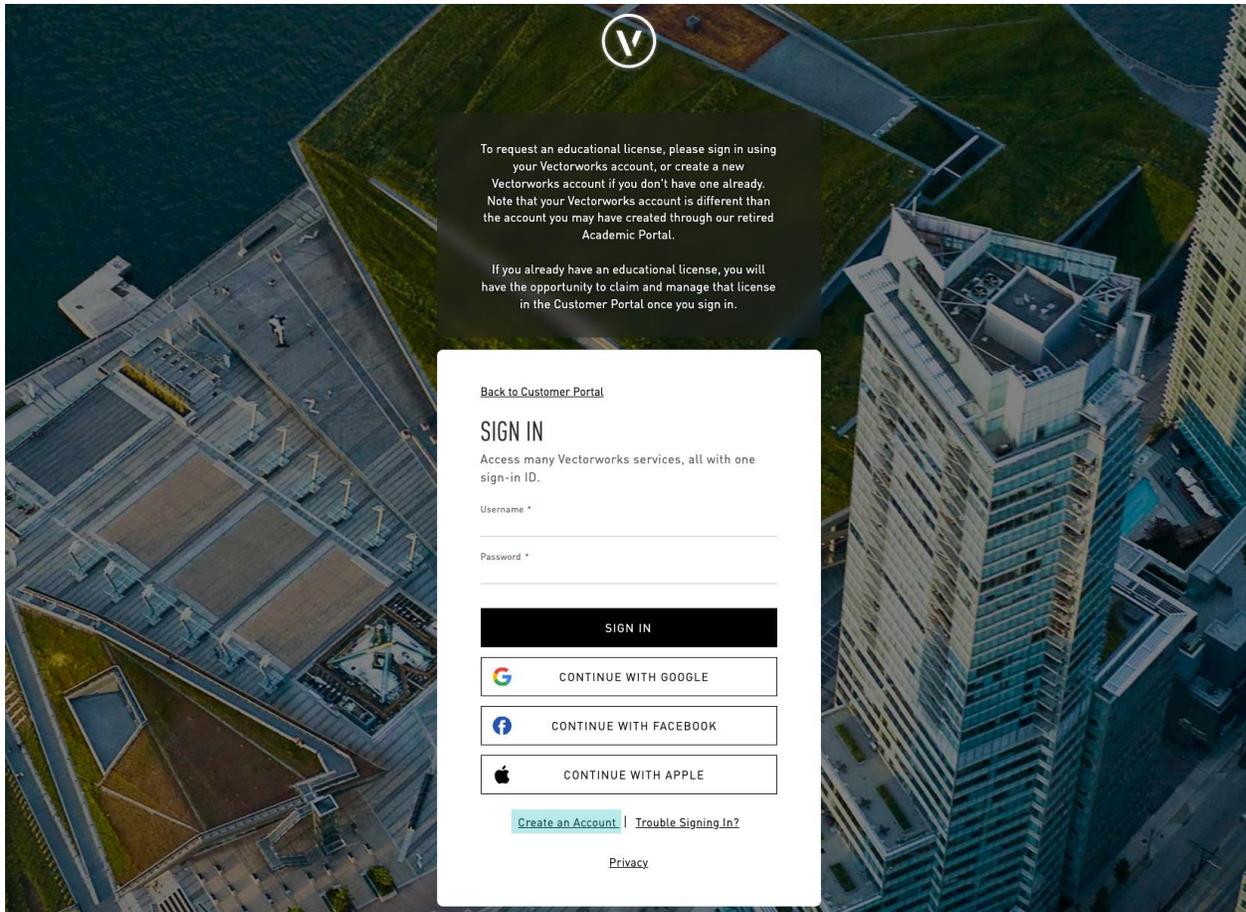

Students and educators in select global markets can download a free educational license of [Vectorworks Design Suite](#) software, and entertainment industry add-ons are available upon request.

2. Log in:

- If you already have a Vectorworks account, please log in with your username and password (note, these are not the login details of the old student portal).
- If you don't have a Vectorworks account yet, click "Create Account" at the bottom left and create an account using your personal email address (not your student email address). After creating your account, log in to the student portal.

3. You will be redirected to the request page.

▼ REQUEST A NEW LICENSE

To verify that you are an active student or educator, please select your desired license type and start the verification process. The verification process will be performed by our trusted partner SheerID.

Please note that the personal data you provide during the verification process must exactly match your educational institution records.
